Iskalo Development Corp. Announces Electric Tower will be “Blue for Ben” and for NASA Support Initiative

Williamsville, NY – Iskalo Development Corp. today announced their participation with NASA space station in support of Ben Sauer and the “Blue for Ben” project. NASA has decided to participate in the “Blue for Ben” campaign and will be taking images of “Buffalo in Blue” from space. The initiative will begin April 3rd and will continue through April 5th. Iskalo Development will participate in the initiative by lighting the company owned Electric Tower blue for the event. The Electric Tower, located at 535 Main Street in Buffalo, will remain blue until April 5th in an effort to show Iskalo’s support for Ben Sauer, and for the NASA photo initiative. Iskalo Development is proud to support “Blue for Ben”.

Iskalo Development Corp. is a full-service commercial real-estate development company active in Western New York and nationally on a client-driven basis. Headquartered in Williamsville, Iskalo Development pursues commercial real estate opportunities in which long-term intrinsic value can be created and will contribute to the betterment of the region. Each project is approached with a strong emphasis on architecturally appropriate, context-sensitive design principles and with a focus on occupant comfort and functionality.
